

# FREE COMMUNITY HEALTH CAMPS REPORT

Government Ayurvedic College  
Dharashiv

## *PREFACE :*

*Under the guidance of the Hon. Secretary and Hon. Commissioner, Medical education and Drug Department, Mantralaya, Mumbai, and The Director of AYUSH, Mumbai a series of 10 free community health camps were conducted by Government Ayurvedic College, Dharashiv in remote villages of Tuljapur Tahasil and Dharashiv Tahasil during September and October month of 2024. The primary objective of this camp was to provide comprehensive primary health care to marginalised communities in rural and urban areas with general health checkup, screening for chronic diseases and referral services to needy people.*

*As Government Ayurvedic institution was conducting camps, so along with Modern medicine Ayurvedic medicines were dispensed to patients, ayurvedic lifestyle advices given to people and OPD level ayurvedic procedure Viddha and Agnikarma was also carried out by Panchakarma experts. The pioneer and main stake holder of free community health camps was medical aid room, DCM office Law and Judiciary and Social Justice Department, mantralaya Mumbai and Student welfare Department, MUHS Nashik was the coordinator for camps conducted by Medical and AYUSH system colleges of Maharashtra state.*

*Main stake holder for camp at district level was Charity Commissioner office. Assistant Charity Commissioner and her Officials cooperated our institute throughout the camps and offered travelling facility to doctors and staff for 3 camps out of 10. In 7 camps at remote areas our faculties went by their own vehicle by their own expenses.*

*At every camp place local political leaders, Gram panchayat body officials, members, social workers helped enthusiastically to our institute by providing camp*

arrangements, publicity of camps in villages by posters, pamphlets, banners, WhatsApp messages, Davandi etc ways and providing food facility to doctors and all staff at every camp place. Without kind help of these village persons, it was impossible task.

D.H.O. and his all officers like T.H.O., Medical officers of concern village P.H.C., HLL lab District coordinator, phlebotomists, STEMI officers and ECG technicians gave very prompt service to us at every camp place. We got help of civil surgeon office, Dean, GMC, Dharashiv and her Community medicine department.

By these camps; Government Ayurvedic College, reached at grass root levels in Dharashiv rural area and provided service to needy people of remote places. While working in camps our faculties and students got opportunity to understand rural health and social issues. We hope that microlevel planning of such camps will be helpful in future to patients and future doctors also.
