

# SAMHITA SIDDHANT EVAM SANSKRIT DEPARTMENT

## Introduction

The Department of Samhita Siddhant evam Sanskrit at Government Ayurveda College, Dharashiv is a well-established center for foundational Ayurvedic education and classical knowledge. At present, the department offers comprehensive undergraduate education, supported by modern infrastructure and dedicated faculty.

The department houses a spacious, well-equipped classroom environment along with a rich collection of classical Ayurvedic texts and a specialized library, all designed to enhance effective teaching and in-depth understanding of fundamental principles. A team of full-time, committed faculty members ensures high-quality instruction, focusing on both theoretical clarity and practical application of Ayurvedic concepts.

In addition, the department plays a vital role in strengthening the academic base of undergraduate scholars by guiding them in classical literature, Sanskrit language, and Ayurvedic philosophy. It serves as a core pillar for understanding the basic principles of Ayurveda, enabling students to interpret ancient texts accurately and apply them effectively in clinical practice.

## Infrastructure

The Department of Samhita Siddhant evam Sanskrit is a well-established academic unit, developed in accordance with NCISM 2024 guidelines and MESAR standards. The department is equipped with adequate infrastructure, modern teaching aids, and a comprehensive collection of classical Ayurvedic texts and Sanskrit resources to support undergraduate and postgraduate education. Committed to academic excellence, the department focuses on imparting a strong foundation in Ayurvedic principles, classical literature, and Sanskrit. It aims to develop scholars with sound conceptual understanding, analytical skills, and the ability to interpret and apply traditional knowledge in a contemporary healthcare context.
